# JCB Window Cleaning

PROFESSIONAL  
CLEANING SERVICES

Window cleaning is time consuming and difficult with climbing ladders or hanging out of windows. We will do the scrubbing and cleaning for you.

*We begin by scrubbing your windows to release the buildup of grease and grime.*

*The glass is squeegeed clean with professional-grade equipment, removing the water and dirt from the glass pores.*

*Edges and sills are wiped clean and dry for a beautiful crystal clear window.*

JCB Cleaning uses the very best commercial grade equipment and products. We offer repeat service providing window cleaning and window washing services. With our JCB Window Cleaning program, you create a residential window cleaning schedule that is both affordable and effective at keeping your windows looking clean year round.

## *Securely Serving Northeast Ohio:*

We utilize state-of-the-art telephone time-tracking systems and software that record when an employee is on the job and for how long. All technicians are employees of JCB Cleaning and have passed background checks. We are fully insured and bonded to ensure that no damage or injury falls back on you.
